OPERATION CUTS SHORT REJOICING OVER A VICTORY

AUSTRALIAN WAS IN NO CONDITION TO BATTLE WITH BOMBARDIER WELLS.

(By Associated Press.)

LONDON, August 3.—The operation for amputation of the ear upon Colin Bell, the Australian heavy-weight, has cut short the joy of British boxing enthusiasts over the recent victory of Bombardier Wells. Bell, his physicians now say, was a sick man when he stepped into the ring with the Bombardier, and should never have been allowed to fight. But this fact was carefully concealed from the public by his managers, who denied rumors of the kind previous to the fight. Bell admits he thought the fight was so easy he could win even in bad condition, and helped in the deceit. He says he is promised another match with Wells, as soon as he recovers. The operation was serious, taking about two and a half hours. Besides the amputated ear, his nose and bronchial tubes were blocked with blood clots the night of the fight. In view of his condition, the rejoicings of the British press over Wells' "coming back" and "English prestige restored" are now thought to have been premature.

AMUSEMENTS

BUTLER THEATER.

At the Butler theater a splendid programme of pictures will be shown this evening, as follows: "The Epidemic," a roaring Essanay comedy; "The Coming of Lone Wolf," a Kalem western drama full of thrills and excitement, and a two-reel Vitagraph drama, "The Mystery of the Hidden House." It has a mystery that is only solved after many puzzling incidents. They are almost impenetrable until the young fellow, who gets mixed up with them, falls in love with one girl and proposes to another. Then it all becomes clear, when he learns that they are both the same girl, and she gets rid of her dual personality and marries him. You never could guess it; you must go to the Butler and find out for yourselves just what the mystery is. Tomorrow the second number of "The Million Dollar Mystery," in two reels. Wednesday, Pathe Weekly.—Adv.

SMALL COUNTRIES MAY BE BROUGHT INTO ALLIANCE

KING OF BELGIUM SEES HOPE FOR UNITING THE WEAKER NATIONS.

(By Associated Press.)

BRUSSELS, August 3.—King Albert, during his recent visit to Switzerland, appears to have found sympathetic reception of his idea for an economic and political alliance among the small states of western Europe. He is so enthusiastic over the matter that he is actively at work in furtherance of the idea and hopes that eventually Holland, Denmark, Switzerland, Luxembourg, Sweden and Norway may be brought together with Belgium in the alliance. It is understood that King Albert sees no practicability in the suggestion of a defensive alliance along military lines, as the countries concerned are widely separated geographically and weak in military forces even when taken collectively. But he believes that some understanding for common commercial and economic aims would be of advantage to offset the commercial aggression practiced by some of the great powers.

OLD GUNBOATS ABANDONED BY BRITISH IN CHINA

HANKOW, China, August 3.—The British gunboats Snipe, Woodcock and Kinsh, of the British China squadron, were deserted today by order of the admiralty. The crews removed the breechlocks of the guns, took away all the arms and ammunition possible and threw the remainder into the Yangtze-Kiang. The British admiralty similarly is dismantling all the small British gunboats in Chinese waters, sending their crews to Hong Kong and Wei Hai Wai in order to defend those important possessions against possible German attack.
